

HUMAN RESOURCES

Human Resources is in our heart & soul as recruiters. CSS focuses on vetting the compliance skill set & matching the communication & soft skills your company needs. Our most placeable candidates offer three to ten years of experience & are actively working, available for contract, or hired directly.

RETENTION

Human Resource expectations vary for small, medium & large companies. Talent can be specialized or generalized, CSS focuses on vetting the compliance skillset & matching the communication & soft skills your company needs.

SELECTIVE TALENT

Our most placeable candidates offer three to ten years of experience & are actively working, available for contract, or hired directly. We also pipeline the strongest recent college graduates who are targeting Human Resources with a proven track record of relevant internships.

SPECIALIZED RESULTS

CSS co-founded TALA (Talent Acquisition Leadership Alliance) which specifically focuses on networking with more than 1800 senior leaders in Human Resources. Ask us about membership!
